PRODUCT INFORMATION - QUOTATION ONLY

Jacobi AquaSorb 1000

Request Jacobi AquaSorb 1000 activated carbon for your water-treatment application. Confirm the exact grade, required quantity and manufacturer documentation with the quotation.

The requested product is Jacobi AquaSorb 1000. Review the manufacturer's grade information against the water-treatment duty, vessel size and service conditions. Confirm the precise supplied grade and packaging before ordering.

Official Jacobi AquaSorb 1000 family reference. Exact supplied model/grade and accessories follow your quotation.

Product details

Requested brand / product	Jacobi / AquaSorb 1000.
Selection basis	Target treatment, feed-water information and required operating duty.
Grade and particle size	Confirm the exact supplied grade and its manufacturer data sheet.
Quantity and packaging	Confirm required weight or vessel fill, packaging and delivery scope.
System fit	Review vessel dimensions, contact time, internals and backwash arrangement.
Replacement work	Media removal, loading, flushing and disposal are included only when quoted.

SELECTION AND MANUFACTURER REFERENCES

Choose the complete specification

Manufacturer reference information

Product family	AquaSorb 1000 series
Media type	Granular activated carbon
Application	Potable-water organic-compound adsorption
Grade and packaging	Confirm exact mesh and pack size in quotation

Reference values apply to the named family only. Maximum flow and maximum pressure may belong to different models or duty points. Exact supplied specifications follow the applicable manufacturer document.

Supply, installation and servicing

Quotation only. Send the exact product or complete model, required quantity, site location and work needed. Confirm availability, included equipment, charges and applicable warranty in the written quotation.

Manufacturer references checked 8 November 2026. A catalogue listing does not establish local stock or authorised-dealer status.

ANNUAL MAINTENANCE CONTRACT

AMC coverage and service scope

AQUA BEST WATER TREATMENT EQUIPMENT TRADING LLC

The AMC applies only to the water treatment system and service location identified in the customer's quotation or contract. It is valid for 12 months from the agreed start date. The number and timing of service visits, included consumables, and contract price are as stated in the quotation.

Domestic RO plans

Covered system	Scheduled visits	Included replacements
6-stage RO	4 scheduled visits over 12 months	Each visit includes replacement of the PP sediment, GAC, and CTO cartridges, where fitted. No additional replacement specified.
7-stage RO with UV	4 scheduled visits over 12 months	Each visit includes replacement of the PP sediment, GAC, and CTO cartridges, where fitted. 1 UV lamp replacement during the 12-month contract.
8-stage RO	4 scheduled visits over 12 months	Each visit includes replacement of the PP sediment, GAC, and CTO cartridges, where fitted. 1 alkaline cartridge replacement and 1 UV lamp replacement during the 12-month contract.

Other cartridges, membranes, pumps, UV components, and parts are excluded unless listed in the quotation.

Service specifications

During a scheduled visit, Aqua Best will inspect the covered system, check for visible leaks and operating issues, and replace only the consumables specified in the contract. Service scope depends on the system model, installed configuration, and access to the equipment.

For softeners, media filters, UV units, chillers, commercial RO plants, and industrial systems, the visit frequency and included replacements must be listed separately in the site-specific quotation.

Tank, filtration-media and dosing-pump work is covered only when specifically listed in the customer quotation or signed contract. The domestic RO plans above do not automatically cover these products.

ANNUAL MAINTENANCE CONTRACT

Terms and conditions

1. The AMC covers only the visits, consumables, and work expressly stated in the quotation or signed contract.

2. Additional cartridges, media, resin, membranes, UV lamps, electrical parts, pumps, repairs, and modifications are charged separately unless specifically included.

3. Aqua Best will explain any additional recommended work and obtain the customer's approval before carrying out chargeable work.

4. The customer must provide safe access to the equipment and ensure that the required water and electrical supplies are available during the visit.

5. Service visits are arranged by appointment. If access is unavailable at the agreed time, the visit must be rescheduled subject to appointment availability.

6. The AMC does not cover damage caused by misuse, unauthorised repair, abnormal water conditions, power fluctuations, external leaks, or other causes outside the listed service scope.

7. The AMC price, payment schedule, and VAT treatment are as stated in the quotation.

8. The AMC applies to the equipment and service address recorded in the contract. Changes to the equipment or location may require a revised quotation.

9. Any warranty on replaced parts is subject to the applicable manufacturer or supplier warranty.

10. Renewal, cancellation, emergency callouts, and response times are governed by the terms stated in the quotation or signed contract.

Pricing and warranty

Quotation only. Product warranty terms are confirmed separately from the 12-month AMC. No additional warranty period or response time is implied.
