MODEL INFORMATION

Aqua Best 2 Stage Water Filtration System

Reliable water filtration for homes. Two durable stages that help reduce sediment, chlorine and unwanted impurities, for healthier water every day.

QUOTATION ONLY

Supply, installation and service requirements are reviewed for your location and equipment.

Equipment illustration. Final model and configuration are confirmed in the quotation.

Easy to fit, built to last

Filtration stages	2
Stage 1	PP sediment, 5 micron
Stage 2	CTO carbon block
Cartridge size	20" x 4.5"
Inlet / outlet	Standard 1"
Brand	Aqua Best, Taiwan

System components / treatment stages

Stage / component	Purpose
PP Sediment Filter, 5 Micron	20" x 4.5" cartridge. Effectively captures dirt, sand, rust and larger particles. It also protects the second stage and helps extend the life of the system.
CTO Carbon Block Filter	20" x 4.5" cartridge. Helps reduce chlorine, bad taste, odours and organic chemicals, improving the overall quality and taste of your water.

Right system for your water

We supply purification solutions for homes, businesses and industry across Dubai and the UAE. If you also want drinking water treated with RO, we can pair this filter with a domestic RO purifier. For larger properties, we can suggest a 3 stage whole house system.

Replacement depends on water quality, daily use and cartridge type. As a guide, sediment and carbon cartridges are often changed every 3 to 6 months, though heavily loaded lines may need it sooner. We will help you set the right schedule.

Clean, safe and refreshing water

The Aqua Best 2 Stage Water Filtration System is designed to provide clean, safe and refreshing water for your family. Built with durable components and advanced filters, it helps reduce sediments, chlorine and unwanted impurities, for healthier water in daily use.

It is a good fit for villas, apartments and offices in the UAE. This system is a filtration unit, not an RO purifier, so it is not designed to remove dissolved salts. Final water quality depends on the incoming water and regular cartridge changes.

Installation and handover checklist

• Share your location, water use, incoming-water information and the required flow or daily output.

• Send installation-space photos and confirm the proposed model's water, power and drainage requirements.

• Ask the quotation to list the purifier, any tank and accessories, fitting work, consumables and handover instructions.

Common product questions

Can I request a quotation?

Yes. Tell us your property type, pipe size and water requirements, and we will send a quotation.

Do you install in Dubai?

Yes. We provide installation and maintenance for water filtration systems in Dubai and across the UAE.

Quotation, installation & after-sales support

Pricing	Quotation only. The written proposal identifies the equipment and included work.
AMC / servicing	Ask for an equipment-specific maintenance scope, consumables, exclusions and visit arrangements.
Warranty	Request the written warranty for the selected model, with coverage, exclusions and claim procedure.

Before requesting a quotation

Send your UAE location, intended use, water information, required flow or daily output, and photos of the installation space. For replacement parts, include the existing model and component labels.

Published ratings describe the listed equipment or configuration. Actual performance depends on feed water and operating conditions. Confirm the exact model, current specifications and manufacturer documentation in the quotation.

ANNUAL MAINTENANCE CONTRACT

AMC coverage and terms

AQUA BEST WATER TREATMENT EQUIPMENT TRADING LLC

The AMC applies only to the water treatment system and service location identified in the customer's quotation or contract. It is valid for 12 months from the agreed start date. The number and timing of service visits, included consumables, and contract price are as stated in the quotation.

Equipment-specific maintenance

For softeners, media filters, UV units, chillers, commercial RO plants, and industrial systems, the visit frequency and included replacements must be listed separately in the site-specific quotation.

Scheduled service

During a scheduled visit, Aqua Best will inspect the covered system, check for visible leaks and operating issues, and replace only the consumables specified in the contract. Service scope depends on the system model, installed configuration, and access to the equipment.

Terms and conditions

1. The AMC covers only the visits, consumables, and work expressly stated in the quotation or signed contract.

2. Additional cartridges, media, resin, membranes, UV lamps, electrical parts, pumps, repairs, and modifications are charged separately unless specifically included.

3. Aqua Best will explain any additional recommended work and obtain the customer's approval before carrying out chargeable work.

4. The customer must provide safe access to the equipment and ensure that the required water and electrical supplies are available during the visit.

5. Service visits are arranged by appointment. If access is unavailable at the agreed time, the visit must be rescheduled subject to appointment availability.

6. The AMC does not cover damage caused by misuse, unauthorised repair, abnormal water conditions, power fluctuations, external leaks, or other causes outside the listed service scope.

7. The AMC price, payment schedule, and VAT treatment are as stated in the quotation.

8. The AMC applies to the equipment and service address recorded in the contract. Changes to the equipment or location may require a revised quotation.

9. Any warranty on replaced parts is subject to the applicable manufacturer or supplier warranty.

10. Renewal, cancellation, emergency callouts, and response times are governed by the terms stated in the quotation or signed contract.

Pricing is quotation only. Product warranty terms are confirmed separately.
