Filter replacement and maintenance

Filters and cartridges do not last forever. Their life depends on water quality, daily use, flow rate and the type of filter media. Regular inspection and timely replacement keep filtration performance up.

Not sure when yours is due? Tell us about your system and usage and we will help you identify the right replacement.

Need help choosing the right filter?

Not sure if you need a shower filter, faucet filter, cartridge, housing or UV system? Send us your requirement or a photo of your current setup.

Installation and handover checklist

• Share the existing housing, cartridge or component model and clear label photographs.

• Confirm dimensions, connections, operating duty and compatibility before selecting replacements.

• Ask the quotation to identify each supplied part, any installation work and the future replacement requirements.

Common product questions

Do you provide installation and maintenance?

Yes. We install, service, maintain and replace parts for suitable water-treatment systems and equipment.

Do you supply replacement cartridges?

Yes, a wide range for compatible filtration systems. Please check your existing housing and cartridge details before ordering a replacement.

Quotation, installation & after-sales support

Pricing	Quotation only. The written proposal identifies the equipment and included work.
AMC / servicing	Ask for an equipment-specific maintenance scope, consumables, exclusions and visit arrangements.

ANNUAL MAINTENANCE CONTRACT

AMC coverage and terms

AQUA BEST WATER TREATMENT EQUIPMENT TRADING LLC

The AMC applies only to the water treatment system and service location identified in the customer's quotation or contract. It is valid for 12 months from the agreed start date. The number and timing of service visits, included consumables, and contract price are as stated in the quotation.

Equipment-specific maintenance

For softeners, media filters, UV units, chillers, commercial RO plants, and industrial systems, the visit frequency and included replacements must be listed separately in the site-specific quotation.

Scheduled service

During a scheduled visit, Aqua Best will inspect the covered system, check for visible leaks and operating issues, and replace only the consumables specified in the contract. Service scope depends on the system model, installed configuration, and access to the equipment.

Terms and conditions

1. The AMC covers only the visits, consumables, and work expressly stated in the quotation or signed contract.

2. Additional cartridges, media, resin, membranes, UV lamps, electrical parts, pumps, repairs, and modifications are charged separately unless specifically included.

3. Aqua Best will explain any additional recommended work and obtain the customer's approval before carrying out chargeable work.

4. The customer must provide safe access to the equipment and ensure that the required water and electrical supplies are available during the visit.

5. Service visits are arranged by appointment. If access is unavailable at the agreed time, the visit must be rescheduled subject to appointment availability.

6. The AMC does not cover damage caused by misuse, unauthorised repair, abnormal water conditions, power fluctuations, external leaks, or other causes outside the listed service scope.

7. The AMC price, payment schedule, and VAT treatment are as stated in the quotation.

8. The AMC applies to the equipment and service address recorded in the contract. Changes to the equipment or location may require a revised quotation.

9. Any warranty on replaced parts is subject to the applicable manufacturer or supplier warranty.

10. Renewal, cancellation, emergency callouts, and response times are governed by the terms stated in the quotation or signed contract.

Pricing is quotation only. Product warranty terms are confirmed separately.
