MODEL INFORMATION

Aqua Best Whole House Water Filter System

Premium water quality for every tap in your home, with a reinforced 1354 vessel, three filter media and three cartridges.

QUOTATION ONLY

Supply, installation and service requirements are reviewed for your location and equipment.

Equipment illustration. Final model and configuration are confirmed in the quotation.

Clean, safe water from every tap

Vessel size	1354 (13 × 54 in)
Control head	Clack head design
Max working pressure	125 PSI
Burst pressure	250 PSI
Inlet / outlet	1 inch
Filter media	Gravel, sand and activated carbon
Cartridges	PP 5 micron, CTO, PP 1 micron
Cartridge size	20 × 4.5 inch

Ready to install

The system comes with a mounting bracket and a wrench, which makes installation straightforward. Our team can install it for you and look after servicing and replacement cartridges afterwards.

A balanced blend of filter media

Three layers of media, 25 kg each, work together inside the vessel.

Absorbs chemicals, helping improve the taste and smell of your water.

Installation and handover checklist

• Describe the treatment objective, incoming-water results and peak simultaneous property flow.

• Send photographs of the main inlet, proposed equipment space and access route.

• Confirm bypass, power, backwash or regeneration drainage where required, and responsibility for connection work.

Common product questions

What is included with the system?

The 1354 vessel with Clack head, gravel, sand and activated carbon media, three 20 × 4.5 inch cartridges (PP 5 micron, CTO and PP 1 micron), a mounting bracket and a housing wrench.

What do the media layers do?

Gravel supports water flow, sand removes sediment, and activated carbon absorbs chemicals and helps improve taste and odour. Each layer is 25 kg.

Quotation, installation & after-sales support

Pricing	Quotation only. The written proposal identifies the equipment and included work.
AMC / servicing	Ask for an equipment-specific maintenance scope, consumables, exclusions and visit arrangements.
Warranty	Request the written warranty for the selected model, with coverage, exclusions and claim procedure.

Before requesting a quotation

Send your UAE location, intended use, water information, required flow or daily output, and photos of the installation space. For replacement parts, include the existing model and component labels.

Published ratings describe the listed equipment or configuration. Actual performance depends on feed water and operating conditions. Confirm the exact model, current specifications and manufacturer documentation in the quotation.
