PRODUCT INFORMATION - QUOTATION ONLY

Runxin 2-inch Manual Filter Valve

2-inch manual filter-valve enquiry for media-filter control. Confirm the complete Runxin model and port arrangement.

A manual filter valve routes the filter through its service and cleaning positions by hand. The requested 2-inch option does not identify a complete Runxin model. Send the label and connection photographs so the correct variant can be matched.

Manufacturer F56D1/D2 family reference. Match the supplied valve model, ports and mounting.

Product selection details

Brand requested	Runxin
Requested connection size	2 inch; confirm connection standard and actual ports.
Function	Manual filter control; do not substitute a softener valve without checking the duty.
Complete model	Confirm nameplate/model suffix before ordering.
Included fittings	Adapters, distributor connections and drains follow the quotation.

SELECTION & MANUFACTURER INFORMATION

Confirm the complete specification

Operation	Manual service, backwash and fast-rinse positions
Example connections	F56D1/D2: 2-inch female inlet, outlet and drain
Example mounting	Top/side mount options; 4-inch-8UN base; 1.5-inch D-GB riser

Manufacturer example: F56D1 / F56D2 (51110 / 51210). These details describe that family, not a confirmed model for this size enquiry. Match the exact supplied valve label and drawing.

Selection: Provide the complete valve model and existing inlet, outlet and drain connections.

Reference information checked 8 November 2026. Confirm the exact supplied item, accessories, availability and warranty in the written quotation. Catalogue ratings are not site performance guarantees.

ANNUAL MAINTENANCE CONTRACT

AMC coverage and service scope

AQUA BEST WATER TREATMENT EQUIPMENT TRADING LLC

The AMC applies only to the water treatment system and service location identified in the customer's quotation or contract. It is valid for 12 months from the agreed start date. The number and timing of service visits, included consumables, and contract price are as stated in the quotation.

Domestic RO plans

Covered system	Scheduled visits	Included replacements
6-stage RO	4 scheduled visits over 12 months	Each visit includes replacement of the PP sediment, GAC, and CTO cartridges, where fitted. No additional replacement specified.
7-stage RO with UV	4 scheduled visits over 12 months	Each visit includes replacement of the PP sediment, GAC, and CTO cartridges, where fitted. 1 UV lamp replacement during the 12-month contract.
8-stage RO	4 scheduled visits over 12 months	Each visit includes replacement of the PP sediment, GAC, and CTO cartridges, where fitted. 1 alkaline cartridge replacement and 1 UV lamp replacement during the 12-month contract.

Other cartridges, membranes, pumps, UV components, and parts are excluded unless listed in the quotation.

Service specifications

During a scheduled visit, Aqua Best will inspect the covered system, check for visible leaks and operating issues, and replace only the consumables specified in the contract. Service scope depends on the system model, installed configuration, and access to the equipment.

For softeners, media filters, UV units, chillers, commercial RO plants, and industrial systems, the visit frequency and included replacements must be listed separately in the site-specific quotation.

Component, valve, housing, instrument and membrane work is covered only when specifically listed in the customer quotation or signed contract. The domestic RO plans above do not automatically cover these products.

ANNUAL MAINTENANCE CONTRACT

Terms and conditions

1. The AMC covers only the visits, consumables, and work expressly stated in the quotation or signed contract.

2. Additional cartridges, media, resin, membranes, UV lamps, electrical parts, pumps, repairs, and modifications are charged separately unless specifically included.

3. Aqua Best will explain any additional recommended work and obtain the customer's approval before carrying out chargeable work.

4. The customer must provide safe access to the equipment and ensure that the required water and electrical supplies are available during the visit.

5. Service visits are arranged by appointment. If access is unavailable at the agreed time, the visit must be rescheduled subject to appointment availability.

6. The AMC does not cover damage caused by misuse, unauthorised repair, abnormal water conditions, power fluctuations, external leaks, or other causes outside the listed service scope.

7. The AMC price, payment schedule, and VAT treatment are as stated in the quotation.

8. The AMC applies to the equipment and service address recorded in the contract. Changes to the equipment or location may require a revised quotation.

9. Any warranty on replaced parts is subject to the applicable manufacturer or supplier warranty.

10. Renewal, cancellation, emergency callouts, and response times are governed by the terms stated in the quotation or signed contract.

Pricing and warranty

Quotation only. Product warranty terms are confirmed separately from the 12-month AMC. No additional warranty period or response time is implied.
